

Stable Marriage (Assignment 2)

Please read the NOTE FOR THE FINAL, REVISED VERSION (located at the end of this document)!

Test Cases:

- The examples from the homework assignment worked correctly.

Correct Implementation

- Correct Implementation: Looks good overall

Style

- Style: Looks good, overall
- Style: There's a several comments that you've left in the file - it looks like they contain code that you've removed but haven't yet deleted. Remove these before handing in the assignment.
